INFORMATION DISCLOSURE STATEMENT

SIR:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56 and in accordance with the practice under 37 C.F.R. §§ 1.97 and 1.98, the Examiner's attention is directed to the documents listed on the enclosed Form PTO 1449. Copies of the listed documents are also enclosed.

The present Information Disclosure Statement is being submitted within three months of the filing of the present application and prior to the issuance of a first Office Action on the merits.

RECEIVED
MAY 13 2002
GROUP 3600

German reference 19 84 146 discloses a cross-beam and a process for manufacture thereof. Applicants do not have an English language translation of this reference readily available. However, an English language abstract thereof is enclosed.

German reference 29 43 773 discloses an arrangement for connecting two pipes of different diameter. Applicants do not have an English language translation of this reference readily available.

German reference 42 32 846 discloses a cross-member for a motor vehicle dashboard. Applicants do not have an English language translation of this reference readily available. However, an English language abstract thereof is enclosed.

The present invention defines a specific connecting element for hollow sections of different cross-section which is not believed to be disclosed by the enclosed references.

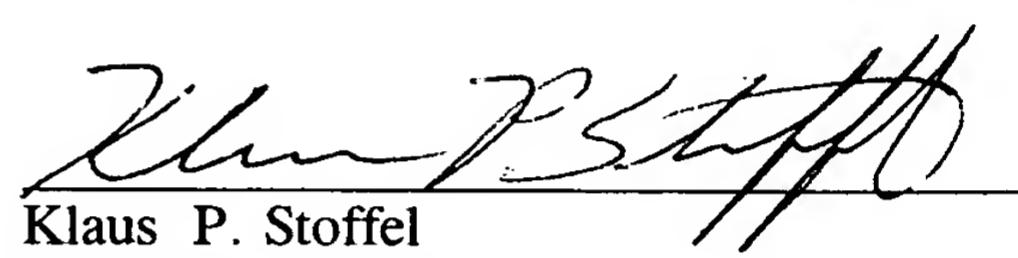

In accordance with 37 C.F.R §§1.97(g) and (h), the filing of this Information Disclosure Statement should not be construed as a representation that a search has been made or that information cited is, or is considered to be, material to patentability as defined in §1.56(b), or that any cited document listed or attached is (or constitutes) prior art. Unless otherwise indicated, the date of publication indicated for an item is taken from the face of the item and Applicant(s) reserve(s) the right to prove that the date of publication is in fact different.

If any fees or charges are deemed required at this time in connection with the application, the same may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

COHEN, PONTANI, LIEBERMAN & PAVANE
